

Ice Pop Craft

Recommended for Ages 3+

Easy to make craft at home.

Items Needed

- Cardstock or Cardboard Paper
- Pom-poms
- Popsicle stick
- Glue
- Scissors
- Magnet(optional)

Instructions

1. Cut out the template on cardstock paper or simply cut out an ice pop shape with your cardstock paper.
2. Add glue to half the popsicle stick.

3. Glue the ice pop to the center of the popsicle stick.
4. Flip over and add glue to the front part of ice pop and add pom-poms.

5. Be creative! Use any color or patterns to make it your own.
6. Optional step: Add a magnet to the back of the popsicle and place it on your fridge.
